Thank you for considering a rescue dog in your home. We are excited to get to know more about you and your lifestyle, so please be thoughtful, thorough, and accurate in each response so that we can best match each animal to their forever home. For the safety of our dogs we verify all information included in the questionnaire, therefore it can take several weeks to review.

Due to the high volume of responses we receive,
incomplete questionnaires will not be processed.

*To help expedite the process, please authorize the release of medical records with your veterinarian(s) and notify your landlord (if applicable) before we call.
